Table of Contents

Introduction 11

Chapter 1: Wholeness and Symptoms 14

Holons 15

Symptoms 19

Pain 21

Modalities 22

Chapter 2: Cycle and Polarity 24

The solar sell 27

Nature, discrimination and reality 29

The evolution of consciousness 30

Collective development - Individual development

Opposites 32

The marriage of opposites 34

Healing 36

The staff of Asclepius - The Heart

Chapter 3: Self and Shadow 39

Stages of development 40

Phases of the stages

Stages of development (continued) 43

Developmental stages 45

Intrauterine existence and birth - Physical/physiocentric self - Emotional/feeling self - Mental/conceptual self

Shadow 48

S\mptoms 50

Feelings - Dreams - Body - Inner and outer

Developmental stages (continued) 51

The rule/role mind - Formal-reflexive awareness - Vision-logic - Transpersonal Levels - Integration

Other models 56

Chapter 4: Homoeopathic Correspondences 59

Periodic Table 59

Intrauterine/hirth stage: Hydrogen - Physical stage: Borax; Carbon; Fluorine - Emotional self: Sodium; Magnesium - The mental/conceptual self: Alumina; Silica

Stages and Phases 77

Development and cover up 80

The phases of the stages 82

Phases and remedies

Chapter 5: Homoeopathic Correspondences (continued) 84

Periodic Table (continued) 84

Mental/conceptual stage (continued): Phosphorus; Sulphur - Rule/role mind: Kali carbonicum; Ferrum; Arsenicum album - Formal-reflexive stage: Palladium; Argentum metallicum; Stannum - The Vision-logic stage: Platina; Aurum metallicum;Mercury - Heavy metals, death and spirituality - The transpersonal - The radioactive metals

Developmental Worlds 107

Development and Archetype

Macrocosm and microcosm - the periodic table 110

Structure of the periodic table

Development and constitution 113

Chapter 6: The dynamics of symptom formation 115

Subjective and Objective 116

Images, feelings and sensations - channels to the unconscious 117

Sensations - Ts" and "as if - Feelings - Images - Illusions and beliefs - Illusions, beliefs, actions and reactions - Concepts

Correspondence 122

Affinities

Projection - the mirror of the world ., 126

Projection and consciousness

Polarity and compensation 128

Opposites and modalities - Symptoms as disturbance of natural rhythm - The economy of health - Discharge

Chapter 7: Individual and collective 134

Miasms 134

Hahnemann - Kent - Ortega - Sankaran

Summary of the three miasms 139

Psoric - Sycotic - Syphilitic

Sequence of the miasms 140

Psora - Sycosis - Syphilis

Miasms, stages of development and the periodic table 142

Miasms and stages of development - Miasms and the periodic table - The vertical axis - The ten miasms

In summary 148

Chapter 8: Approaches to constitution (part one): Three levels of being 150

Animal, plant, mineral - Human - Mineral - Plant - Animal

Chapter 9: Approaches to constitution (part two): Four elements 155

History 156

The four conditions of constitution

Mappa Mundi - a map of the inner and outer world 159

The map - Remedies: Bryonia; Natrum muriaticum; Belladonna and Calcarea carbonica

In conclusion 170

Chapter 1 0: Similarity 173

Similarity in life 174

The whole and the part 175

Holons

Disease, forgetting and remembering 176

Symptoms

Similarity and Susceptibility ... 178
Inner and outer
Susceptibility and consciousness ... 181

Chapter 11: Provings ... 183

The proving experience ... 185
Potency - Primary and secondary action - Integration
Provings are analogous to disease ... 189
Acute and chronic - Ego and archetype
The homoeopathic way of knowledge ... 192
Healing traditions and homoeopathy - Alchemy and homoeopathy - A concluding thought

Chapter 12: Cure ... 200
Law of cure ... 200
Disease, healing and consciousness ... 203
Skin - Nervous system - Structural and functional correspondences - The skin and wholeness - The oldest disease

Chapter 13: Some notes on case taking and case analysis ... 210
Symptom and context ... 210
Symptoms ... 211
Selection of symptoms ... 212
How high/deep? - How striking/unusual? - How true/reliable? - The repertory
Case taking ... 216
The Hahnemannran method - The active approach - From outside to inside
A unified map ... 219
Kingdoms - Miasms - Miasms, plants and animals - Miasms as doorways - Towards a developmental map for all kingdoms
Patient and journey ... 226

Notes ... 228
Bibliography ... 237
Index ... 241
